DAVID CIANCIOLO

David has been working in the Real Estate Industry since 1973 and has specialized in Commercial Sales since 1975. He joined Badger Realty in 1989 when he and his partner, Ed O'Halloran, sold their real estate business of 13 years, Country Squire Real Estate, to Badger Realty. Specializing in the Resort Industry, David works

with numerous clients in the buying & selling of B&B's, hotels, motels, restaurants, general stores, convenience markets, plus a variety of other types of specialty businesses. You name a business in the Mt. Washington Valley, and David has probably had been involved with the purchase or sale of it at some point in the last 30 years.

Like his partner Ed, David is also a "sports nut" and in his spare time can be found on the sidelines of the Fryeburg Academy Lady Raiders teams of soccer, basketball, or lacrosse cheering on his daughter Eden. He is a veteran of numerous community projects and believes that the Mt. Washington Valley is the perfect place to raise children, as he has raised his six daughters here.
